

## Bluetooth Price List

### TERMS:

1. Prices are FOB(shenzhen) 2. Payment Terms: TT in advance  
 3. Q'ty/c'tn: 50pcs 4. MOQ: 50pcs

Model No.	Picture	Feature	Price
Bluetooth (BT500)		<ol style="list-style-type: none"> <li>1. Bluetooth V1.2 compliant. Chip: CSR</li> <li>2. Output power: Class II</li> <li>3. Frequency: 2.4 to 2.48GHz unlicensed ISM band</li> <li>4. AC/DC Input :100-240 V; Operating Range: Up to 10 meters (33 feet)</li> <li>5. Typical talk time: up to 4 hours</li> <li>6. Stand by time: up to 160 hours; Typical charging time: 2 to 2.5 hours</li> <li>7. Battery: Rechargeable Lithium Polymer</li> <li>8. Indicator Light: Red and Blue LED light</li> </ol>	US\$16.00
Bluetooth (BT816)		<ol style="list-style-type: none"> <li>1) Minimum volume:60*18*11mm; Minimum Weight: Only 9.8g, The lightest one of all the bluetooth headset.</li> <li>2) Beautiful Style with the streamline designed, delicate craftman-ship, suitable for anybody to wear and delivers a comfortable fit on either ear.</li> <li>3) Plug-and-play and simple pairing for easy use.</li> <li>4) Solutions for superior sound quality.</li> <li>5) Better interference resistance via the use of Bluetooth technology.</li> <li>6) Supports wireless audio streaming and headset / hands free application.</li> <li>7) Listening to music and talking over wireless phones and computer.</li> </ol>	US\$15.50
Bluetooth (BT688)		<ol style="list-style-type: none"> <li>1) Minimum volume:60*18*11mm; Minimum Weight: Only 9.8g, The lightest one of all the bluetooth headset.</li> <li>2) Beautiful Style with the streamline designed, delicate craftman-ship, suitable for anybody to wear and delivers a comfortable fit on either ear.</li> <li>3) Plug-and-play and simple pairing for easy use.</li> <li>4) Solutions for superior sound quality.</li> <li>5) Better interference resistance via the use of Bluetooth technology.</li> <li>6) Supports wireless audio streaming and headset / hands free application.</li> <li>7) Listening to music and talking over wireless phones and computer.</li> </ol>	US\$15.00
Bluetooth (BT718)		<ol style="list-style-type: none"> <li>1) Bluetooth headset is a wireless headset based on Bluetooth technology.</li> <li>2) It is specially designed for different mobile phones, offering you the freedom to talk on your mobile phone without using your hands.</li> <li>3) It provides clear sound quality for a range of 10 meters (between headset and mobile phone).</li> </ol>	US\$15.50
Bluetooth (BT008)		<ol style="list-style-type: none"> <li>1) Bluetooth V1.2 compliant (Compatible with bluetooth 1.1)</li> <li>2) Long talk time: up to 6 hours</li> <li>3) Stand by time: up to 200 hours</li> <li>4) Weight: 15g</li> <li>5) Chipset: CSR</li> <li>6) Radio Performance: ClassII</li> </ol>	US\$24.00
